

Office of Legislative Counsel

10 August 1978

NOTE FOR: DDCI

Tom Latimer called and wanted us to express Chairman Boland's and his deep thanks for your providing the NID's yesterday afternoon. Tom said that Rep. Mazzoli spent a couple of hours last night reading the NID's and apparently is satisfied. We are getting the NID's back today. Tom is of the opinion that the problem within the Committee is now abating as a result of your quick response to their needs.
